

**LOS CERROS LIMITED  
(ACN 119 759 349)  
(COMPANY)**

**SOCIAL MEDIA POLICY**

**Adopted and approved by the Board on 25 March 2020**

---

**1. Background**

Los Cerros Limited (Los Cerros or the **Company**) has the following Social Media Policy (**Policy**) to regulate the use of social media by people associated with Los Cerros or its subsidiaries. The Policy covers the use of electronic media for engagement within and between the Company and the market by directors and employees, the Company's contractors (including subcontractors) and employees of the Company's contractors, joint venture partners (who have agreed to be bound by the Policy) and suppliers (**Key Management Personnel**).

To preserve the reputation and integrity of Los Cerros and its subsidiaries, this Policy will apply to the wide range of technologies commonly referred to as 'social media' which fundamentally are no different to other forms of communication, but do represent a risk as well as an opportunity because they can connect large numbers of people with relative ease. The rationale for the Policy is to manage the risks associated with the use of technology platforms and tools of this nature.

---

**2. Social Media Definition**

Social media means online social networking or Web 2.0 technologies services and tools used for publishing, sharing and discussing information, including without limitation blogs or web logs, electronic forums or message boards, micro-blogs (e.g.: Twitter™), photo sharing sites (e.g.: Flickr®), social bookmarking sites (e.g.: Delicious™, Digg™, Reddit™) social networking websites (e.g.: Facebook®, Instagram®, Snapchat®, WhatsApp®, LinkedIn®, Google+™) video sharing sites (e.g.: YouTube™), virtual worlds (e.g.: Second Life®) and wikis (e.g.: Wikipedia®) and any other electronic media that allow individual users to upload and share content regardless of format.

---

**3. Scope of Policy**

The Policy outlines requirements for compliance with confidentiality, governance, legal, privacy and regulatory parameters when using social media to conduct Company business.

This Policy is intended to apply to both Los Cerros and its subsidiaries. References to the Company or Los Cerros in this Policy should be read as referring to both Los Cerros and its subsidiaries, as appropriate.

This Policy aims to:

- (a) inform appropriate use of social media tools for the Company;
- (b) promote useful market engagement through the use of social media;
- (c) minimise problematic communications; and
- (d) manage the inherent challenges of speed and immediacy.

This Policy should be read in conjunction with other relevant policies and procedures of the Company and is not intended to cover personal use of social media where the author publishes information in their personal capacity and not on behalf of, or in association with Los Cerros and no reference is made to Los Cerros, its directors, employees, policies and products, suppliers, shareholders, other stakeholders or Company related issues.
